Aerial tramway see Cableways

Aeronautics

Airports
Alaskan airbase designed n1
Australia to develop airports n334
Baltimore Airport grading contract let n487
Baltimore airport runways (unit prices) 1035
Boston airport costs up n243
Buenos Aires airport being constructed n776
CAA announces federal-aid airport program for 1947 ..... n83
CAA's construction fund slashed n797, n876
Canada—De Havilland airport, Toronto, to be enlarged n493
Canada—Montreal aviation terminal planned by railroad n249
Chattanooga, Tenn. plans improvements n910
Chicago airlines terminal n855
China—Lunghwa Airport to be reconstructed n79
China to resurface airports n707
Danbury, Conn. to improve airport n479
Germany—Tempelhof airport, W. G. Bowman 907
Great Britain—London airport runway construction *56
Hangars
Atlanta hangar construction n*797
Chicago, twin hangars n704
Los Angeles hangar n*979
Navy begins work on special hangar to test electronic devices n80
Rapid City, S. D. plans n852
Traveling scaffold used in repairing airship hangars *204
Houston applies for grant n413
Indianapolis airport built n356
Indianapolis to construct new building n910
Manila, Philippines, to plan terminal n334
Muncie, Ind. plans improvements n910
National investment—civilian plans (tables) *295
Newark airport sought by Port of New York Authority n926
New Castle County, Del. airport plan n992
New York City airports leased by Port Authority n490, n717, n852
New York City group offers new airport plan n93e
N. Y. C. LaGuardia Field rehabilitation n*11
New York City plans to ease airtraffic jam n*10
Newfoundland—Harmon Field to become permanent Army base n542
Omaha, Neb. considers modernization of airport n992
Oregon to set up own airport building program n88
Panama airport completed by Public Roads Administration *957
Philadelphia's annexation right to be tested n248
Philadelphia buys airport land n868
Philadelphia—putting soils knowledge to work on airfield runways, E. E. Seelye *733
Pittsburgh airport plans n562
President Truman requests airport funds n415
Rochester, N. Y. plans new terminal n910
Runways—loads on runways e801
Seek uniform standards for runways n797
Saint Paul not to expand airport n339
San Francisco airport fill on soft bottom controlled to avoid mud waves *104
San Francisco Municipal airfield to have new building n*851
St. Louis charges government of U. S. "usurps" city airport n93
Seattle airport bonds stopped n242
Taxiway at Logan Airport, Boston (unit prices) 901
Terminal Island, Calif.—drydock for a giant flying boat *730
Transportation projects in construction *320
Twin Cities airports n169
Uruguay constructing airports in Montevideo n*776
Windsor Locks, Conn.—Bradley Field to be made an international airport n542
Helicopters to make deliveries to top of Mt. Cucamonga, Calif. n988
Africa—French equatorial Africa to have plywood mill n79
Tanganyika port and railway to be developed n776

Air Conditioning

New trends develop in Southern textile mill design *806
Rensselaer, N. Y. medicine plant is windowless, dustproof n*555
Washington, D. C. Army Map Service gets new air-conditioned home *367
Albania—First railroad to be constructed n975
Aluminum—Enginehouse constructed with aluminum roof trusses *820
American Assn. of State Highway Officials Los Angeles meeting ..... n 6
Technical discussions bring out useful ideas 437
American Chemical Society—Federal coordinating agency urged for antipollution programs 819
Industrial waste meeting 1009
American Concrete Institute — Cincinnati meeting n355
Technical sessions 505
American Railway Engineering Assn.—Chicago meeting n471
American Road Builders Association Chicago meeting 331
American Shore & Beach Preservation Assn. meeting n912
American Society for Engineering Education—Meeting discusses huge engineering college enrollment n989
American Society for Testing Materials—Annual meeting n991
Headquarters in Philadelphia n*341
American Society of Civil Engineers—New York meeting n*81
Phoenix meeting n719
Plan to raise dues n497
Technical sessions n87
American Society of Photogrammetry Washington meeting n176
American Water Works Assn.—All nominees become officers-elect n499
American Wood Preservers Assn. meeting n799
America's needs and resources—Twentieth Century Fund report *327
Amphibious truck n*85

Aqueducts

Kutter formula favored in aqueduct tests *60
Los Angeles water supply under scrutiny because of boron in water 518
Salt Lake Aqueduct n*345
San Diego Aqueduct
Colorado River water expected this year n87
Concrete pipes speeded with vibrators *458
Pneumatic concrete placers speed lining of small tunnels *502
To be Navy-built *362
Architects—Practicing under a firm name n72

Argentina

Buenos Aires airport being constructed n776
Engineers to work on five-year plan n966
Grain elevator n*469
Railway cars shipped from U. S. n973
Associated Equipment Distributors Chicago meeting n257
Associated General Contractors—Boards see price rises near peak n867
Chicago meeting n187
Association of Highway Officials of North Atlantic States—Atlantic City meeting n334

Atomic Power

Atom power for electric production seen near n25
Jamestown, N. Y. considers atomic power n339
Monsanto Chemical builds underground plant for atomic research n916

Australia

Bridge planned and railway bridge completed n*468
Civil airport development n334
Earth dam for irrigation planned n164
Electric generating capacity to be expanded n239
Highway maintenance bill approved n776
Hobart, Tasmania, port to be developed n468, n706
Irrigation dams planned in New South Wales n830
Port Darwin planned for major reconstruction n906
Victoria pushing dams and irrigation projects n706
Water pipeline on the desert floor (map) *889
Austria gambles on the future. W.G. Bowman *975

Awards

Frank P. Brown medal awarded Karl Billner n704
Goodell prize winner announced by AWWA n726
Moisseiff award set up for papers on design n870

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

B

Barges—British Columbia—difficult barge-holding problem in blasting a submerged rock *48
Beaches—San Diego to have a playground in Mission Bay n*554

Beams

Beam deflections. C. H. Gronquist ..... l 391
Deflections under combined loads *43
New data on Douglas fir beams in Dept. of Commerce report 207
Suggestions for safe lateral bracing design. C. M. Throop (Building Designers' Library) *218
Suspension beam with hinge provides unobstructed floor for store sales room. *1013
Timber split-ring joints tested, yield rational design formula. R. H. Gloss *895
Beams—see also Trusses
Blasting — British Columbia — difficult barge-holding problem in blasting a submerged rock *48
Farmer sues highway engineers for egg hatching damages n722
Bolivia—Credit approved for highways and petroleum development n409
Bonds — Louisville, Ky. revenue-bond bridge pays off. C. W. Hanson *114
Bonds—see also Public Works

Book Review

Mr. Blandings builds his dream house. Eric Hodgins 530
Clay pipe engineering manual 224
Contributions to soil mechanics; 1925-1940 530
Design and methods of construction of welded steel merchant vessels 961
Future of housing. Charles Abrams 961
Grand Central. David Marshall 224
Laboratory control of water purification. C. R. Cox 530
Manual for sewage plant operators. L. C. Rillings 762
Mathematical methods of statistics. Harald Cramer 223
National electrical code 394
Personality and English in technical personnel. Philip McDonald 394
Portland cement technology. J. C. Wett. 962
Principles and practice of surveying. Breed & Hosmer 961
Roadway and track. W. F. Rench 394
Rock tunneling with steel supports. Proctor & White 223
Rudimentary mathematics for economists and statisticians. Crum & Schumpeter 223
Saudi Arabia. K. S. Twitchell 762
Statistical quality control. E. L. Grant. 223
Structural precast reinforced concrete. Kurt Billig 223
Surveying theory and practice. J. C. Tracy 961
Tests on timber structures from Golden Gate International Exposition 961
Unionization of professional engineers and chemists. H. R. Northrup 223
Boulder City presents unique situation in municipal administration *1021
Bracing—Suggestions for safe lateral bracing design. C. M. Throop (Building Designers' Library) *218
Brazil—Dams and hydro plants planned. n707
Factory with concrete rigid frame n*475
Bridge accidents and failures
California and Maine bridges wrecked by trucks n*24
Washington highway bridge collapses from truck fire n*340

Bridge Construction

Better expansion joints in bridge floors. N. W. Morgan *151
Lower cost bridges and how to get them. F. D. Hartford *588
Memphis bridge piers sunk by open-well dredging *449
"Sand-island" method of bridge pier construction. R. F. Legget, l 462; R. L. Larson ..... l 761
Steel forms speed construction of Pee Dee Bridge approach *525

Bridge Design

Battered piles in bridge abutments. C. H. Wood *1018
Costs increase for grade-elimination highway bridge as angle of intersection is decreased. W. F. Wiley l*959
Lower cost bridges and how to get them. F. D. Hartford *588
Multiple-span suspension bridges. Louis Balog ..... l 960
Railings
South Carolina bridge *66
Standard bridge railing of steel tube *154
Spanish bridge built with concrete top chord and steel bottom chord *946
Bridge floors—Better expansion joints in bridge floors. N. W. Morgan *151

Bridge Renewals and Repairs

Canada to rebuild railway bridge in Toronto n*30
France—Lyon rebuilds its many wrecked bridges *34
France—Lyon's wrecked bridges. S. A. Payette ..... l 826
Hungary to reconstruct bridges n4

Bridges

Australia
Hawkesbury River bridge completed. n*239
New South Wales railway structure. n*408
Queensland bridge planned n408
Baltimore, Md.
Chesapeake Bay tunnel studied as bridge alternative n925
Baton Rouge, La.
Sinking open caissons through sand islands. E. S. Blaine *213
Boston
High-level bridge proposed across harbor n162
Mystic River bridge started n182
Buffalo
Two viaducts to be reconstructed n26
Bridges in construction *323
California bridges and substructures (unit prices) 329
Canada
Montreal—St. Eustache bridge construction to start n337
Quebec-Lewis bridge n410
Cherryvale, Kansas
Reinforced concrete bridge (unit prices) 469
Chicago
North State Street Bridge girders arrive by barge n*992
Connecticut River bridge (unit prices) .. 900
Council Bluffs, Iowa
End of tolls brings tax payments n911
Delaware-Chesapeake Canal bridge
Foundation nearly ready n472
Delaware River bridge funds provided. n564
France
Lyon rebuilds its many wrecked bridges *34
Nogent-sur-Marne bridge is new n*165
Vienne highway bridge n*545
Great Britain
Severn River bridge proposed n*79
Harrisburg, Pa.
Two highway bridges recommended. n710
Hartford
Tolls reduced on Charter Oak Bridge. n28
India
Mond River bridge n*335
Indiana bridge (unit prices) 326
Indiana considers new toll bridges n17
n410, n904
Jenkintown, Pa. highway bridge n*713
Kansas City
Liberty Bend Bridge to be started n426
Louisville, Ky. bridge
First revenue-bond bridge pays off. C. W. Hanson *114
Malone, N. Y.
Cover over bridge while building n*169
Manchuria
Stripped by war and the Soviets, huge rebuilding job. M. T. Bennett *378
Memphis
Bridge piers finished n174, n904
Piers sunk by open-well dredging *449
"Sandhogs" not sandbags n244
Montezuma, Ind.
New bridge to replace old one n869
Newark, N. J.
Stickel Memorial bridge approach to be constructed n332
Ohio toll bridges report high profits n357
Pee Dee River, S. C.
Steel forms speed construction of approach *525
Pennsylvania
Abington Township bridge. O. L. King ..... l 959
New type concrete bridge n*909
Point Pleasant, W. Va.
New railroad bridge opened n*868
St. Louis, Mo.
Golden Eagle bridge planned n410
St. Petersburg, Fla.
Tampa Bay bridge funds sought n925
San Francisco-Golden Gate bridge
10th anniversary n985
San Francisco-Oakland Bay
California reveals plan for bridge n345
Financing for new bridge n869
Low-level bridge and causeway favored n*237
Plans for second crossing e369
Ten years of the bridge e103
Sand-Island method of caisson sinking for bridge. R. F. Legget, l 462; R. L. Larson ..... l 761
Savannah River toll bridge sought n84
Spain
Tordera truss bridge built with concrete top chord and steel bottom chord *946
Vicksburg, Miss.
Warren County votes to buy bridge n548
Wilmington, Del.
Delaware River bridge construction approved n477, n973
Youngstown, Ohio
Right of road bureau to appropriate railway depot to make way for new bridge n985
Building accidents and failures
Purdue University bleachers collapse n355

Building Construction

Baltimore, Md. steel-frame houses built on assembly line principles *950
Canadian universities to do much building n187
CPA ceiling on non-residence building lifted n161
Continental Can and N. Y. Life Insurance have agreement for financing industrial expansion n82
Cornell University dormitory of fire-resistant construction *371
Costs
Austin Co. index of industrial building costs 1913-1946 (chart) 603
Construction and building cost indexes 1913-1945 (table) 599
Cost comparisons aid selection of building materials and installations. George Parkman *592
Cost reaching peak for industrial plants. E. W. Bowden *591
Index of small house costs 1935-1946 (table) 647
Index for standard house in 47 cities 1939-1946 (table) 649
E.N.R. survey indicates home building slows as buyers resist continuing cost rise n489
Indiana state building appropriations studied n29
Institutional building proposed in two states n256
Meat packing plant constructed with cast-iron columns and flat-slab floors, without drop panels or column caps. *216
Montana considers big building program n187
New York City—Elliott Houses have cavity walls and concrete slab bank floors *584
Philadelphia earmarks money for building n29
Precast floor slabs, for UN housing, N.Y.C. L. F. Booth *455
Prefabrication prospects *301
Universities and colleges planning extensions n256, n856
Venezuela—shelter and sanitation facilities for a tropical oil camp. E. J. Cleary *814
Washington, D. C. Army Map Service gets new air-conditioned home *367

Building Design

Balloon frame—a tribute. C. S. Hill. l *64
Concrete rigid frame for factory in Brazil n*475
Factory designed for residential areas, Rochester *511
How fire-safe is a fireproof building. J. J. Ahern *942
New trends develop in Southern textile mill design *805
New York City—Tishman building has unusual exterior n*710
Prefabricated buildings to resist —60 deg. at Arctic weather stations n973
Quonset factory buildings, York, Pa., expand plant capacity n*428
Rennsselaer, N. Y. medicine plant is windowless, dustproof n*555
Safe lateral bracing design. C. M. Throop (Building Designers' Library). *218
Suspension beam with hinge provides unobstructed floor for store sales room *1013
Timber joints
Tests of eccentric split-ring joints yield rational design formula. R. H. Gloss *895
Underground factories? n347
Underground factory data sought by the Army n863
Underground plant built by Monsanto Chemical n916
Van Nuys, Calif. auto-assembly building has seismic and solar protection *53
Wind resistant
Pressure under cylindrical stack computed by trial and error. G. B. Rodger *738

Building Designers Library

Carbon-dioxide fire-protection systems. P. W. Eberhardt *108
How to select and install glass block. K. H. Cunningham *1006
Suggestions for safe lateral bracing design. C. M. Throop *218

Building Laws and Regulations

Atlanta pushes fire code n796
Building officials report on hotel fire safeguards n481
Canada publishes code for small municipalities n985
Chicago revises hotel fire code provisions n92
Connecticut publishes state building code n410

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Connecticut state building code voluntarily adopted by communities. Prentice White 507
First fire prevention conference n798
Georgia names Building Safety Council.n870
How fire-safe is a fireproof building. J. J. Ahern *942
Idaho considers code for building safety.n717
Iowa creates council for state building code n490
Massachusetts sets aside building code in special case n243
Natick, Mass. home rule wins.....n854
Plumbing code being prepared n709
San Francisco debates building code revision n992
Waco, Tex., rewriting zone law.....n548
Building Officials Foundation Adopts basic code n481

Buildings

Arctic regions
Weather stations being prefabricated to resist —60 deg. n973
Australia
Parking site on hillside n*5
Berkeley, Calif.
University of Calif. plans new buildings n916
Boston
John Hancock Insurance building excavation n*551
Brazil
Factory with concrete rigid frame..n475
Buffalo
Veterans hospital started n92
Veterans hospital bid n922
Canada
Toronto to build skyscraper bank...n549
Chicago
Planning development for a mile of land n*711
Clemson, S. C.
New trends in textile mill design....*805
Cornelia, Ga.
Lumite Div. mill design *808
Dallas, Tex.
Steam plant on roof of office building n*414
Dayton, Ohio
War memorial building considered...n855
Detroit
Veterans' hospital contract awarded..n783
Dubuque, Iowa
Tractor plant n*795
East St. Louis, Ill.
Enginehouse constructed with aluminum roof trusses *820
Forest Glen, Md.
Army plans medical center n987
Ft. Lauderdale, Fla.
Department store under construction.n*793
Fresno, Calif.
Veterans' hospital to be air-conditioned n20
Germany
Munich reconstruction. W. G. Bowman *923
Hapeville, Ga.
Ford Motor Co. plant—comment. J. M. Kite .....l 391
Hawaii
Five-year hotel construction plan....n787
Tripler Hospital advances n*911
Tripler hospital cost over estimate..n427
Hospitals for civilians provided in bill.n919
Indiana hospital plans n922
Indianapolis, Ind.
American Legion building bids.....n926
Ithaca, N. Y.
Cornell University dormitory of fire-resistant construction *371
Kansas City
School building bond vote n338
Lancaster, S. C.
Springs Cotton Mills bleachery mill design *809
Los Angeles
War Memorial Auditorium to be erected n*413
Macon, Ga.
Wall board mill n*705
Major projects in construction.....*315
Manchuria
Stripped by war and the Soviets, huge rebuilding job. M. T. Bennett.....*378
Miami, Fla.
University of Miami plans building work n88
Minneapolis, Minn.
School buildings to be planned.....n781
University of Minnesota to build athletic plant n856
Mt. Cucamonga, Calif.
Television station to be erected.....n988
Mt. Vernon, Ohio
Factory roof replaced without exposing interior n*18
New Jersey building delay caused by labor n241
New York City
Apartment features balconies n*860
Apartment project to cost $30 million.n870
Architects of Grand Central. W. J. Wilgus, Jr. .....l 528
Columbia University to have new stadium n*348
Elliott Houses have cavity walls and concrete slab band floors.....*584
Fort Clinton Memorial suggested....n*724
Time building approved n922
Tishman building has unusual exterior n*710
Truck terminal bids asked n84
UN apartments constructed with precast floor slabs. L. F. Booth *455
United Nations headquarters plans..n866
Westchester Co. Center to complete roof n11
Pennsylvania launches building program for mental hospitals n19
Philadelphia
City Hall statue of Penn causes controversy n911
Hospital plans n780
Phoenix, Ariz.
Hospital planned n82
Pittsburg, Calif.
Steel mill taking shape n*778
Pittsburgh, Pa.
University of Pittsburgh expands central heating n*248
Puerto Rico
San Juan constructs the Professional Building n974
Pullman, Wash.
Institute of Technology building, Washington State College n*716
Raleigh, N. C.
Building site acquisition sought by highway board n344
Rensselaer, N. Y.
Medicine plant is windowless, dust proof n*555
Richmond, Calif.
Grease plant and warehouse started for Standard Oil n*865
Rochester, N. Y.
Clothing factory designed for residential areas *511
San Francisco
Power substation n*775
Santa Monica, Calif.
Store provided with unobstructed floor due to suspension beam with hinge.*1013
Scottsville, Va.
U. S. Rubber rayon tire-cord plant design *806
Seattle
University of Washington building...n*178
Spokane, Wash.
Town to build own schools.....n855
Syracuse, N. Y.
G.E.'s research center—roof trusses tested *878
University of Tennessee asks millions for buildings n424
Van Nuys, Calif.
Auto-assembly building has seismic and solar protection *53
Veterans Hospitals
Federal-aid plan n253
Philadelphia and Syracuse receives contracts for VA hospitals n249
32 to be started by June n161
Ware Shoals, S. C.
Rayon finishing plant design.....*807
Washington, D. C.
Army map service gets a new home..*367
University of Washington announces expansion plan n89
Willow Island, W. Va.
Calco Chemical Works has steel frame, concrete exterior n*786
Winnebago, Ill.
Courthouse cannot be sold n479
York, Pa.
Quonset factory buildings expand plant capacity n*428
Buildings see also Housing
Buses
New York City approves union bus terminal n*242

C

Cables — New York City under-water cables n*855
Cableways—Mt. Hood, Ore. proposes aerial tramway n717
Peru plans aerial tramway n545

Caissons

Memphis bridge caissons sunk with the help of woven willow mattresses.....*451
Practical lessons in caisson sinking from the Baton Rouge bridge. E. S. Blaine.*213
Sand-island method of caisson sinking for bridges. R. F. Legget .....l 462
R. L. Larson .....l 761

Canada

Integrate all military engineering n717
1946 construction n2
Ontario hydro to start new power plant.n726
Steel and timber controls to be maintained n773
Veterans houses to be repaired n424
Canadian Construction Association meets..n167

Canals

Allegheny River, Pa. barge canal urged. n20
Central Valley Project—canals come next *422 e431
Coachella Canal extension contracts let.n188
Columbia Basin Canal cut out of rock by blasting n*709
Ditcher reduces canal maintenance c... *4...
Friant-Kern canal—special rig for b... filling .....
Linings—low-cost linings for irriga... canals. W. R. Young .....
Mexico—Irrigation canals almost c... pleted .....
Mississippi River
Chain-of-Rocks bids .....
Chain of Rocks Canal—contrac... meet before bidding .....
Panama Canal
Harvard University studies the ca...
Improvement plans in the Zone...
Puzzle in Panama. W. G. H... man .....
Reports to be made in 1947 .....
Studies of the canal .....
Russia to start Kara-Kum Canal .....
Yakima project—Roza Div. canal li... of concrete block .....
Cement—Strike halts construction in N... York City .....
Ceylon—Irrigation program .....

Channels

Arkansas River cutoff dredging com... pleted by Army engineers. A. R. Smith .....
British Columbia—difficult barge-holding problem in blasting a submerged rock.
Sacramento-Yolo Port District voted to clear the way for channel dredging .....
Chile—Road and bridge construction voted .....
Chimneys — Pressure under cylindrical stack computed by trial and error. G. B. Podger .....

China

Airport runways to be resurfaced....n
How an American sanitary engineer is "selling" water systems in China....
Lungwha Airport to be reconstructed...
Rail lines to be rebuilt.....
Surplus equipment returning from China
Tangku port to be improved .....
UNRRA develops reclamation program.
Yellow River dikes closed .....n335, n
Cities—Record growth of cities.....
City managers—Pennsylvania seeks legislative approval of city manager charters .....
Civilian Production Administration
Transfers controls to Office of the Housing Expediter .....
Coal and coal mining—Pennsylvania coal industries aid clean-steam program....
Cofferdams — Memphis bridge cofferdams built on caissons .....
Colombia—Robert Moses, asked to study modernizing plans for Bogata.....
Columns
Meat packing plant constructed with cast-iron columns and flat-slab floors without drop panels of column caps..*
Competitive bidding for engineering services—See Engineers

Concrete

Aggregates
Center Hill Dam aggregate production. J. P. Dealy .....
Air entrainment
Air entrained in concrete. C. A. Hogentogler, Jr. l
Discussed at ACI technical session...
Rolling method of determining entrained air .....
Correction in statement concerning the rolling method.....
Alkali reaction in concrete invested....
Asbestos-felt blanket protects thin concrete dam from frost .....
Concrete block used for Yakima project canal lining .....
Dams
Joint leakage stopped at Marshall Ford. W. B. Bierce .....
Floors of mixed asphalt and concrete absorb more impact .....
Forms
Steel forms speed construction of Pee Dee Bridge approach.....
Gravimetric analysis of sand. L. J. Ehly .....
Minnesota passes bill specifying concrete mix .....
Precast concrete features at ACI technical sessions .....
Precast floor slabs for UN housing. L. F. Booth .....
Reinforcing
Deformed bars compared as to resistance to slip .....
Device locates bars in concrete .....
Slab band floors and cavity walls for New York City's Elliott project.....
Sprayed concrete on wire mesh for dome roof of Middletown, Pa. tank.....n
Transporting concrete in dump-trucks. J. A. Nicholson .....
Vibrators improve concrete pipes for San Diego Aqueduct .....

Construction

Appropriation bill .....e728, n903, n
Budget recommendation for construction .....
Congress-construction weathervane ....

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Costs
American Appraisal Company construction cost trend index 1914-1946 (table) 603
Boeckh index of construction costs 1926-46 (table) 607
Comparison of building and construction cost indexes 1913-1946 (charts). 285
Cost of financing 1933-1946 (charts & table) 645
ENR construction and building cost indexes 1905-1946 (chart) 598
ENR construction and building cost indexes 1914-1946 (tables) 598
ENR cost indexes bases 1914-1946 (table) 601
Highlights of construction costs—1947 .....*597
Industrial plant cost reaching peak. E. W. Bowden *591
Lower cost bridges and how to get them. F. D. Hartford *588
Missouri analyzes highway job. C. C. Tevis *373, e361
Privately financed homes in 1946 (table) 812
Public utility construction cost index 1921-1946 (tables) 609
What can be done about high construction costs report.....*881-888
Engineering construction contracts reported to E.N.R. in 1946 (table) 290
ENR reported construction volume by class of work (chart) 281
Fleming sees $13 billion construction in 1947 .....n249
Home builders ask control removal...n354
New construction capital 1925-1946 (table) 283
1946 construction n1
President outlines construction controls.n249

Cities plan parking activities n548
Columbus—proposal to roof over docks for parking space n710
Columbus, Ga. recommends traffic changes and parking facilities n992
Hartford parking garage n478
Holyoke, Mass. proposes parking deck n*47
Jersey City underground garage proposed n79
Los Angeles considers underground parking n*48
Minneapolis urges parking lots n24
Montreal traffic plan n47
New York City debates regulation n79
Oklahoma City parking plans aired n27
Philadelphia plans underground parking n47
Philadelphia to make survey of traffic n79
Phoenix parking garage n47
Plan calls for parking lots and garages n79
Richmond, Va. considering traffic plans n79
San Francisco approves garage a mile long n*79
Solution in various cities n47
States considering parking facilities n79
Vancouver, B. C. plans underground garage n79
White Plains, N. Y. studying traffic n47
San Francisco plans traffic helps n47
Seattle, Wash. proposes to make the Alaskan Way viaduct a double-deck structure n79
Tampa, Fla. planning toward traffic relief n79

Streets

North Carolina municipalities seek state funds for streets n39
Philadelphia plans street improvements n47
Philadelphia to modernize Vine Street . n39
Quincy, Ill. finds a street shortage n47
Wilmington to improve streets n47

Subways

East Boston's subway n16
Boston—Extension approved (map) n54
Great Britain—London adds subway lines n*16
Italy—Rome subway construction rushed n79
Philadelphia plans subway n243, n47
Russia—Leningrad subway construction started n97

Surplus Property

China returning surplus equipment 38
Contractors, utilities certified for surplus n24
New surplus sales plan on construction machines n42
Restrictions placed on importing of surplus equipment from abroad n39

Surveys and Surveying

Aerial mapping for highway studies discussed by A.S.C.E. 9
Army map service gets a new home *36
Cutting down on surveys n41
Dumpy level adjusted quickly. H. Pollet . *82
Jungle surveys for oil exploration. Pierre Charles *51
Missouri Basin survey work resumed .. n91
Museum of Surveying Equipment n*88
New York State to revise topographic maps n92
Ohio state agency on control surveys and mapping urged n36
Topographical survey of Indiana to be finished n49
Vertical curve calculations. H. B. Austin 39
Vertical sight distances computed without formula. W. E. Cooper *39

Sweden

Airdrome to be reconstructed n79
International congress to be held n20
Oil pipeline under consideration ..... n
Swimming pools—Canal Zone swimming pool being built n*49
Syria—Pipeline terminal to be in Beirut .. n77

T

Tanks and Standpipes

Army tank, Middletown, Pa. cover of concrete sprayed over wire mesh n*40
Oakland, Calif. leak in prestressed tank located by compressed air *102
Oil pumped under steel tank to prevent corrosion 102
Television—Station to be erected on the top of Mt. Cucamonga n38
Trailers—Pipe trailer gives pick-up and delivery service *6

Trucks

Amphibious truck n*85
Dallas builds own garbage trucks *4
New York City truck terminal bids asked n8
Rebuilt truck used widely on maintenance work *39
Transporting concrete in dump-trucks. J. A. Nicholson *20

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Trusses
All-welded roof trusses tested by jacking against each other *878
Aluminum roof trusses for an engine house *820
Lessons taught by wood-truss failures. N. B. Green *753
Trusses—see also Beams

Tunnels
Baltimore water tunnel contract awarded n546
Bluefield, W. Va.
Norfolk & Western RR tunnel contract awarded n925
Boston
East Boston traffic tunnel postponed .. n979
Water tunnel project begun n88
Cascade Mt. Tunnel, Wash.
Highway tunnel. H. M. Hadley ..... l 580
Legislation does not approve tunnel .. n489
Toll highway tunnel proposed n972
Toll tunnel not abandoned n869
Chesapeake Bay, Md. tunnel studied as bridge alternative n925
Chesapeake & Ohio Railway tunnel, W. Va. nears completion n425
Columbia Basin Project
Bacon Tunnel designed to carry water for irrigation n20
Delaware River vehicular tunnel study started n358
Denmark
Faulted rock passed by grouting on Copenhaven sewer tunnel. K. Pilgaard *40
France
Vehicular tunnel plan revived n78
Lyon completing vehicular tunnel n707
Mount Cenis tunnel reconstruction 755
Houston
State and county at odds on work n848
Tunnel planned n909
Vehicular tunnel to start n985
Massachusetts seeks state tunnel authority n344
New York City
Battery-Brooklyn Tunnel
Planning to avoid difficulty e928
Tunneling from Brooklyn in mixed ground *936
Tunneling from Manhattan in rock .. *933
Tunnel's lining and ventilation *930
Ventilator n*422
Portland, Ore. seeks traffic tunnel n796
San Diego Aqueduct tunnels
Pneumatic concrete placers speed lining of small tunnels *502
Snoqualmie Pass, Wash.
Two-mile tunnel proposed for road .. n*255
Toketee Falls, Ore..
Hydroelectric development tunnel n920
Union Pacific to build an $8 million tunnel in Wyoming n775
Ventilation
Diesel engines in tunnels 894
Turkey—Black Sea port to be planned n906
Road network studied n850

U

Unit prices—Index to unit prices 651
Unit prices 156, 326, 466, 651, 844, 900, 1032
U. S. Army—Medical center planned to be at Forest Glen, Md. n987
Medical corps to include sanitary men .. n919
U. S. Army Engineer—Director of Military Operations appointed n427
U. S. Bureau of Labor—Statistical reports may be cut n547
U. S. Bureau of Reclamation
Budget cut analyzed n779
Budget slashed e728
Interior Department funds cut in half by House n703, n725
More water conservation for the West. Kenneth Markwell *291
New water-service contracts 760
President Truman disclaims reclamation cut n857
U. S. Geological Survey—Assigns water resources chiefs n14
U. S.-Mexico Public Health Assn. meeting. C. G. Gillespie 795
U. S. Public Health Service—bill names service as stream-clearing head n188
Uruguay—Montivedo airport being constructed n*776

V

Venezuela
Bolivar superhighway n409
Carrizal oil camp's shelter and sanitation facilities. E. J. Cleary *814
Guario Road leads to oil wells. E. J. Cleary *432
Housing for workmen n*238
Iron Mines to construct ore transfer station n975
Jungle surveys for oil exploration. Pierre Charles *519
Money spent on roads and airfields n79
Oil companies plan more road and refinery work n850

W

Walls
The balloon frame—a tribute. C. S. Hill. l*64
Insulated, metal-faced exterior wall panel n*922
New York City—Elliott Houses have cavity walls and concrete slab band floors *584
Plate theory explains curling. I. F. Morrison ..... l 64
Wall footing action poses enigmas. H. S. Woodward *955

Wastes, Industrial
Allegheny County, Pa. Sanitary Authority plans new attack on stream pollution n90
Atmospheric contamination demands research and field study 1009
Distillery waste treatment works provides cattle fleed and power byproducts. S. I. Zack *940
Illinois industries push pollution abatement program 823
Illinois Laboratory methods adopted in standards of water and sewage 1011
No federal pollution control e929
Pennsylvania coal industries aid clean-stream program 956
Pennsylvania's stream clearance program produces results 1027
Peoria, Ill. river pollution control aided by waste recovery 220
West Virginia pushes pollution control .*1025
Wastes, industrial—see also Water pollution
Water mains—Milwaukee studies water main scaling n338
Greensboro, N. C. to extend water mains .n549

Water Pollution
Allegheny County, Pa. Sanitary Authority plans new attack on stream pollution n90
A.S.C.E. Sanitary Div. discusses pollution 97
Bill for water pollution control ... n336, n564
Bill names USPHS as stream-clearing head n188
Connecticut's stand on pollution control. Richard Martin ..... l 222
Delaware River Basin anti-pollution work starts n423
Detroit River pollution study begun n480
Federal controls on stream pollution not needed sewage groups told n913
Federal coordinating agency urged for anti-pollution programs 819
Federal pollution control e929
Federal Works Agency places new pollution control bill before Congress n847
Illinois industries push pollution abatement program 823
Indiana's anti-pollution plans n258
Lake Michigan pollution to be reduced .. n188
Maryland commission for water pollution control n870
Massachusetts battles pollution 959
Massachusetts enacts pollution compact law n909
Merrimack River, Mass. anti-pollution plans n258
National Council for Stream Improvement opposes federal agency interference n353
Pennsylvania anti-pollution campaign shows results n787
Pennsylvania stream cleanup to be directed by Adm. Draemel n188
Pennsylvania's stream clearance program produces results 1027
Peoria, Ill. river pollution control aided by waste recovery 220
Potomac River Basin Commission approves Spence Pollution Control bill .. n358
Rhode Island, Indiana push pollution control n546
Stream pollution abatement. Hudson Biery ..... l 761
Stream pollution control in various states n546
West Virginia pushes pollution control .*1025
Water pollution, see also Wastes, industrial
Water resources—Indiana surveys are cooperatively financed n783
More water conservation for the West. Kenneth Markwell *291
Water rights—Colorado River diversion opposed by ASCE n719
Texas water board wins test of control right n170

Water Supply
Australia—water pipeline on the desert floor *889
Baltimore water tunnel contract awarded n546
Boron in Los Angeles water supply under scrutiny 518
Boston water tunnel project begun n88
Bristol, R. I. may expand system n911
Buffalo and Lockport suburban areas seek new water sources n28
Chester, Pa. seeks to change water supply from Delaware River to Octraro Creek n356
Chicago is receiving filtered water n978
Chicago's filtration plant's tunnel inspected n*781
Chicago—University of Illinois considers bids for reservoir n911
China—how an American sanitary engineer is "selling" water systems *390
Cities plan for new water supplies n854
Denver to expand water system .n412, n926
Detroit, Indianapolis, Baltimore, Van Wert plan water system changes n478
Farmington, N. M. buys water system .. n780
Gatlinburg, Tenn. water system bids ... n926
Hawaii—water improvements completed on Oahu, T. H. n985
Hialeah, Fla. considers water expansion n356, n549
Honolulu water project n243
Illinois Laboratory methods adopted in standards of water and sewage 1011
Illinois troubled by lowered water table .n423
Los Angeles purchases ten water systems n20
Municipal water supply projects *313
New Britain, Conn. to expend water supplies n549
Philadelphia water system piping shown on map *66
Phoenix to add to water system n413
Phoenix, Ariz. waterpipe line bids low .. n20
Phoenix water supply improvements will meet needs to 1970 219
Provo, Utah, concrete pipe water supply line and weir houses (unit prices) ... 486
Reclamation Bureau uses new water-service contracts 760
Rockford, Ill. to drink deep n926
San Diego aqueduct to be Navy-built .. *362
Seattle looks ahead to expansion n356
Sparta, Tenn. starts project n911
Texas City utilities withstood explosion well 888
Tonawanda and Lockport, N. Y. consider plan to bring water from Niagara River n910
Youngstown, Ohio, to build new reservoir n780

Water Treatment
Baltimore's Montebello filtration plant installs baffles to improve sedimentation. E. S. Hopkins *514
Evanston to experiment with fluorine in water 515
Illinois Laboratory methods adopted in standards of water and sewage 1011
Meter control of water softening process. R. A. Thuma *384
Michigan decides that free residual chlorination improves water quality .. 448
"Soda fountain" centralizes filtration plant sampling *66
U. S. charges monopoly in chlorine equipment n773
Yuma, Ariz. clarification of water to reduce silt content 52

Waterways
Lake Michigan diversion to Illinois waterway studied n348
Pressure-group economics e996
St. Lawrence project cost raised n971
St. Lawrence seaway remains a live issue n560, n773

Waterworks
Cleveland to expand waterworks n412
Columbia, Miss. plans waterworks in park n*548
Louisville Water Co. pays debt years in advance n29
St. Louis approves water improvement plan n88
Will your reservoir refill during minimum demand periods. R. L. Brown ... *1012

Welding
All-welded roof trusses tested by jacking against each other *878
Canadian Welding Bureau to seek codes .n333
Color sound film on arc-welded structures n15
Wells — Illinois Laboratory methods adopted in standards of water and sewage 1011
Western Assn. of State Highway Officials —Los Angeles meeting n17
Western Society of Engineers—officers inducted n925

Wharves and Docks
Bulkhead design discussed by A.S.C.E ... *96
Charleston, S. C. to construct new ship terminal n356
Great Britain's floating dock passes through Suez Canal n*906
Mobile plans docks expansion n*356
Mobile, Ala. takes bids for dock job n174
New Guinea to construct two piers and roads for access to oil fields n165
Wharves and docks—see also Drydocks
Wind tunnels—Supersonic wind tunnel to be constructed by Calif. Inst. of Technology n162
U. S. Army builds supersonic wind tunnel at Cal-tech n797
Winston, James O. dies, built water-supply dams n429
